Lonely Planet, Stuart Butler, Anthony Ham, Anna Kaminski, John Noble, Miles Roddis, Brendan Sainsbury, Regis St Louis, Andy Symington : Lonely Planet Discover Spain (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Discover Spain (Travel Guide):

0 of 0 people found the following review helpful. A Variety of Information with Plenty of Colorful PhotosBy Patti TsikosThis travel guide provides a great visual overview of Spain with an abundant amount of colorful photos, along

with detailed information about each region. One page has a map that identifies each of the 6 regions that it will cover in the color-coded sections of the book. Toward the end, it provides a synopsis of Spain's history; culture; art architecture; traditional foods/wine; a small Spanish language lesson; and more! I was really impressed, and I'm glad that I ordered this book!

By Cary
This was my first purchase of a Lonely Planet Guide. I found the information to be too broad, realizing they are covering an entire country in one book I can understand the difficulties. However, when traveling from Barcelona to Valencia I found the information inadequate. Nicely organized but under detailed.

1 of 1 people found the following review helpful. Prefer the photo-rich Discover series over other Lonely Planet guides
By Sarah
I always like the Discover Lonely Planets because they contain photos, which give you a sense for the place, but at the expense of detail. Can't have it all!

Lonely Planet: The world's leading travel guide publisher Lonely Planet Discover Spain is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Bask in orange-scented breezes while savoring a Valencian paella, witness the fiery passion of Andalucia's flamenco dancers, or be captivated by Madrid and Barcelona's art and architecture; all with your trusted travel companion.
