Neil Wilson : Lonely Planet Edinburgh Encounter (Lonely Planet Encounter Series) (Best Of) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Edinburgh Encounter (Lonely Planet Encounter Series) (Best Of):

0 of 0 people found the following review helpful. A great little pocket guideBy MarA great little book to quickly find restaurants, entertainment, and accommodation in any part of the city you are in. This was the only guide book I ever bought while I lived in Edinburgh and it came in handy all the time. Anytime your in a neighborhood and want to find

a place to eat or learn a quick bit of history its great to whip out and quickly look up what you need.I love Lonely Planet guide books. They have never let me down and I would recommend them for your journey to any destination.9 of 9 people found the following review helpful. Great travel guideBy Tammy BI bought both this guide and the DK Eyewitness Scotland guide before my trip to Edinburgh. This handy, little, pocket guide was well worth every penny. It was much more informative, had great ideas and suggested fantastic, don't miss, sights. It has everything you need to have a great trip in a city you don't know. The fold out map was a great help too.The food/restaurant section was hit and miss.A couple of the places we tried were fantastic...a couple of other, terrible. Do not do the Mexican food in Scotland despite what the guide book says. Enough said.This is the only book you need. It fits in your purse/backpack. We wrote all over ours before we left and hit everything we wanted to do and see.5 of 5 people found the following review helpful. Useful and Well DoneBy Ria DarlingI'm a fan of Lonely Planet guides but this is superior to other LP city specific guides I have used (Athens, for example). I found the restaurant information to be the most useful-and we ate at several of the top rated ones. It was also useful for the information on the underground tours and museums. The map is solid and the shopping was helpful as well. Easy to carry around, this was a real winner.

What Will Your Edinburgh Encounter Be?a drink or two in the atmospheric Caf Royal Circle Barcatching your breath while admiring the views from Arthur's Seatghost-hunting in Edinburgh's eerie underworldbeing king or queen for the day on the Royal Yacht Britannia...some of the best vegetarian cuisine in the country at David Bann...chuckling at your favorite new comedian at the Edinburgh FestivalDiscover Twice The City In Half The Time...full-color pull-out map and detailed neighborhood maps for easy navigation...our resident author recommends the very best sights, restaurants, shops and bars...unique itineraries and highlights help you make the most of your trip...local experts reveal Edinburgh's secrets from a real ale drinker's favorite pubs to a Tollcorss resident's tips for discovering the up-and-coming canal quarter

Sherman's Travel, April 2007'...Encounter guides...discreet in size, but generous enough on page count to provide a fuller city experience minus the hefty guidebook load.'From the PublisherWho We AreAt Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large. What We Do* We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages.* We are relentless in finding the special, the unique and the different for travellers wherever they are.*We update our guidebooks by visiting thousands of places in person to get the details right and tell it as it is.* We always offer the trusted filter for those who are curious, open minded and independent.* We challenge our growing community of travelers; leading debate and discussion about travel and the world.* We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive.What We BelieveWe believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
