Lonely Planet, Andrea Schulte-Peevers, Kerry Christiani, Marc Di Duca, Catherine Le Nevez, Tom Masters, Ryan Ver Berkmoes, Benedict Walker : Lonely Planet Germany (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Germany (Travel Guide):

3 of 3 people found the following review helpful. Another great guide book
By Kid Kyoto
I picked up the Kindle version of this guide before a 2 week trip to Munich. It was quite useful in planning day trips and learning some more background, culture and history. Lonely Planet are up to their usual high standards. I missed the ability to flip through the book and found maps harder to use on the Kindle, despite the weight I think the print version would have been a better choice.
0 of 0 people found the following review helpful. Pretty basic, Kindle version rendered weird
By MiamiMe
It's very rare for me to return books but I felt this guide was wholly inadequate. The sample itineraries were few and not varied enough considering the broad audience Lonely Planet has. Also the information for first-time travelers to Germany was pretty basic -- could have been talking about any Western European country. But I guess what ultimately killed it for me was the Kindle version rendered so poorly on the Kindle app and also on the browser reader that ultimately I just ordered another guide book and returned this one.
0 of 0 people found the following review helpful. Good guide
By D. Christiansen
A personal must have for scouting out a country/city before travel. Sure internet information is more timely but I like the feel of a book in my hand and the reminder of trips past looking at the spines of the book on my travel shelf.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Germany is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. See storybook castles arise from the Bavarian forest, raise a stein to an oompah band in a Munich beer garden, and take in the vibrant Berlin arts scene; all with your trusted travel companion. Get to the heart of Germany and begin your journey now!
