Lonely Planet : Lonely Planet Italian Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Italian Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary):

pompeii, capri). I don't think you will need any sort of phrasebook for Italy. 2 of 2 people found the following review helpful. THIS little gem covers pretty much every scenario you might find yourself in. By Camille Strate Bought this for my neighbor after having used it myself some years ago. I speak a bit of Italian (grew up speaking with my grandparents) but not as fluently as I once did. THIS little gem covers pretty much every scenario you might find yourself in, including (but not limited to) asking directions, finding the train station, finding a hotel/BB/etc., restaurants and how to speak to your server, going to bars/nightclubs (some of the expressions are both hilarious AND quite "real". Someone bugging you? You can find retorts as "foul" as you'd like!). I highly recommend ANY of the Lonely Planet books. Helpful and FUN! 4 of 4 people found the following review helpful. Perfect language assistant. By CGB This is a pretty inclusive language guide, containing both phrases and a dictionary, which is just what I wanted. My favorite thing is that the size is just right: it's really a pocketbook so not bulky and hard to pack or carry. Great job!
