Sarah Johnstone : Lonely Planet London Encounter (Lonely Planet Encounter London) (Best Of) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet London Encounter (Lonely Planet Encounter London) (Best Of):

0 of 0 people found the following review helpful. Quick overview of LondonBy Georgina Andrade-EncinasI was hoping for a more detailed book but someone recommended this. The good thing is it's small enough to fit in my bag and it contained a map of London.2 of 10 people found the following review helpful. excelenteBy

TamaraCompletamente util si uno se va de viaje a londres y quiere aprovechar los dias al maximo,Los precios no estan del todo actualizados4 of 4 people found the following review helpful. Nice compact guidebookBy P. YocumI found this book very helpful during my time in London. The book is split up into different neighborhoods, and within each neighborhood there are the following subgroups: See, Shop, Eat, Drink, Play. At the beginning of each section, there is a map of the neighborhood with all of the shops, restaurants, and attractions on it so you can easily figure out your itinerary for the day. The book also includes a folded map that you can pull out. While I found this larger map helpful, I ended up losing it after a few days and had to buy a replacement (oops). I think I actually could have done without the larger map--the small maps inside the book provide enough detail to figure out how to get where you want to go.Pros: Small size, easy to carry around. Great maps and well organized sections that make it easy to plan what you want to do. Lots of "hip" shops (I mostly used it for the shopping recommendations). Descriptions include info about price of admission, business hours, nearest tube stop, phone number, web site, and street address (everything you need to know!), along with a brief review of what you can expect to find there.Cons: I found that a few of the shops listed were not very accurately represented (i.e. they sounded great in the description but were quite disappointing). This could, of course, be attributed to taste, but I felt a little misled with a few of the descriptions.Overall, however, this is a great book with lots of useful information, and thanks to this book I visited a lot of neat places that I probably wouldn't have found otherwise.

What Will Your London Encounter Be?...sampling the late-night delights of Soho (p46)...exploring ancient cultures in the British Museum (p64)...weighing yourself down with shopping bags in Covent Garden (p51)...getting spicy with a curry in Whitechapel (p27)...downing some proper beer in the Jerusalem Tavern (p118)...separating your Picassos from your Pollocks at Tate Modern (p142)Discover Twice the City in Half the Time.....full-color pull-out map and detailed neighborhood maps for easy navigation...our resident author recommends the very best sights, restaurants, shops and entertainment...unique itineraries and highlights help you make the most of a short trip...local experts reveal London's secrets: from a boutique hairdresser's top shopping suggestions to the coolest live-music venues from the director of the BBC Electric Proms

"...a complete city guide boiled down to its essences, a sort of text-messaged guidebook with photos and quotes from locals geared to a savvy weekend visitor." --Chicago Tribune, August 5, 2007From the PublisherWho We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large. What We Do * We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. * We are relentless in finding the special, the unique and the different for travellers wherever they are. * When we update our guidebooks, we check every listing, in person, every time. * We always offer the trusted filter for those who are curious, open minded and independent. * We challenge our growing community of travellers; leading debate and discussion about travel and the world. * We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
