StoneActually pocket sized (and I'm a girl so my pockets are small). This was a super helpful guide while I was visiting San Francisco for the first time for a conference. But the food recommendations were super helpful when my group was indecisive.3 of 3 people found the following review helpful. Get it for the mapBy notedguide books are guide

books, but this one has the best map of Athens. I was able to mark everywhere I wanted to go on the paper map that folded up anyway I wanted it to! 2 of 2 people found the following review helpful.
