The size is great for carrying in your purse to consult for quick food activity suggestions. So many of the food recommendations were excellent and affordable! I used the accommodations recommendations to book hostels hotels before we traveled. I particularly LOVE the "Best of" selections. The attached maps also were so helpful. This book really made travel so easy and enjoyable.2 of 2 people found the following review helpful. Missing Frommer's guides!!By NiclascanDid not like organisation of book, needs more references to
