Lonely Planet, Anthony Ham : Lonely Planet Pocket Madrid (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Pocket Madrid (Travel Guide):

0 of 0 people found the following review helpful. A reliable and convenient guide. By Professoriat Concise and reliable. We had a week in Madrid and passed through most of the areas mentioned. The book touches on the major tourist spots (which I preferred to avoid) but also a few other nice things that are just a touch away from the madding crowd. (Recognizing that the entire central part of Madrid is a tourist zone, you can't really avoid it.) While it's truly pocket size was convenient, at times I wished for a longer, full-size guide that would provide more historical and cultural context for what I was seeing hope Lonely Planet will put something out before long. 0 of 0 people found the

following review helpful. Just the right size, and everything we needed. By The Wizard We spent 5 days in Madrid, and this got us to everything we should have seen. You can carry it in your back pocket. Only one correction, Estado Puro, which was mentioned several times for tapas, etc has changed entirely. Now only liquor and a very abbreviated menu that wasn't very good. I guess its prime location right across from the Prado was too expensive for a tapas bar. 0 of 0 people found the following review helpful. One low-res map is not "Full-colour maps and images throughout" By Paul Hoffman If you want a short travel guide for your Kindle, this is barely acceptable. I bought it because the publisher's description said "Full-colour maps and images throughout"; I'm used to that in the Lonely Planet paper books. Nope, this one has *one* low-res map that is not useful for finding your way between neighborhoods.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Pocket Madrid is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

About the Author Anthony is a freelance writer and photographer who specialises in Spain, North and West Africa, the Arctic and the Middle East; for the latter he is finally putting to good use his Masters in Middle Eastern politics. When he's not writing for Lonely Planet, Anthony writes about and photographs Spain, Africa and the Middle East for newspapers and magazines in Australia, the UK and US. In a former life, Anthony was a refugee lawyer working primarily with clients from Africa and the Middle East. In 2001, after years of wandering the world, Anthony finally found his spiritual home when he fell irretrievably in love with Madrid on his first visit to the city. Less than a year later, he arrived there on a one-way ticket, with not a word of Spanish and not knowing a single person in the city. Now, Anthony speaks Spanish with a Madrid accent, is married to a local and together with their two daughters, they live overlooking their favourite plaza in the city.
