This was fabulous. We spent a week in Porto, and used this book multiple times a day. It has great recommendations for things to see and do, and places to eat. I like the lonely planet books anyway, so I expected to enjoy this one as well. I also love the size of it - it really does fit in a pocket! I carried it in my small bag, but my husband could fit it in his jeans pocket with no problem.

Was super helpful during my honeymoon in Portugal! Especially the maps - those were essential to us.
