**Lonely Planet, Duncan Garwood : Lonely Planet Pocket Rome (Travel Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Pocket Rome (Travel Guide):

4 of 4 people found the following review helpful. Another Pocket-Sized Travel Gem By Sharon E. Cathcart With our European vacation mere weeks away, there's not much time left to read guide books in advance. Having previously read the London and Paris editions of Lonely Planet's pocket guides, I knew I needed to add this one to the list. I was not disappointed. Lonely Planet's Pocket guides distill the "best of" in many ways. They provide information on what to do in each neighborhood, along with easy-to-use maps and transit information. There is a handy language guide to useful phrases, a pull-out map for pocket or handbag, information on free or inexpensive attractions and eateries, and a

local's perspective for recommendations. The Pocket guides and Rick Steves' more thorough phrase books are the only books we're taking with us on this trip, despite having read many of them in preparation. I can't think of higher praise. They're great for experienced travelers and beginners alike. 2 of 2 people found the following review helpful. Handy size, lots of tips  
By S. Hardy I've gotten full-size Lonely Planets in the past, but this pocket-size was a lot handier to carry around while out sight-seeing. I love LP guides!  
0 of 0 people found the following review helpful. Great guide!  
By helena This was a very useful book with directions, bus lines, and metros all lined up for whatever place we wanted to see. Very handy to carry around, too.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Pocket Rome is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Let gelato melt on your tongue in Piazza Navona, marvel at Michelangelo's Sistine Chapel frescoes, or retrace the footsteps of the ancients amid the Roman Forum's magical ruins; all with your trusted travel companion. Get to the heart of the best of Rome and begin your journey now! Check out Lonely Planet's Italy guide for a comprehensive look at all the country has to offer, or Lonely Planet's Discover Italy, a photo-rich guide to the country's most popular attractions. Authors: Written and researched by Lonely Planet and Duncan Garwood. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

About the Author Ever since backpacking around the Greek Islands as a student, Duncan has been fascinated by the Mediterranean and its apparently idyllic lifestyle. In an attempt to live it himself, he gave up a stuttering career in corporate journalism and moved to southern Italy in 1997. Two years later he transferred north to Rome, where he lives with his Italian wife and two young kids. These days Duncan spends much of his time running up and down the Italian peninsula, writing for Lonely Planet, but he's still drawn to the south, and heads to the Ionian Coast every summer to test the beaches and enjoy the superb Puglian food.
