**Lonely Planet : Lonely Planet Pocket Vienna (Travel Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Pocket Vienna (Travel Guide):

I had been there previously, but this time I was traveling alone and wanted a small book to carry with me in case I needed recommendations, information, etc. The book was the perfect size and just right for a short trip to Vienna. If you are planning a longer stay, you might need a more extensive book; but if you are going to be in Vienna for just a few days, this is a nice little guide. 0 of 0 people found the following review helpful.
