Krzysztof Dydynski : Lonely Planet Pologne (Lonely Planet Travel Survival Kit) (French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Pologne (Lonely Planet Travel Survival Kit) (French Edition):

Written by a local author, this guide provides the information to make the most of a visit to Poland: background on history, culture and the arts; a Polish language section and glossary; details of national parks and hiking routes; and tips on activities such as walking, cycling and horse-riding.
