Regis St Louis : Lonely Planet Portugal (Country Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Portugal (Country Guide):

4 of 5 people found the following review helpful. Great book, quick delivery, reasonable price By George

TennantLonely Planet provides a great complement to my reliance on Rick Steves. Between the two I am able to map out wonderful trips, with LP providing the lower end of the cost scale way to go about traveling. Cleanly laid out, written in a way to convey information rather than overawe the reader, their guides are invaluable, timely, and fun.5 of 8 people found the following review helpful. Lonely Planet PortugalBy Marvin E. FeldmanWe always use Lonely Planet because they tell it like it is---good, bad and ugly !This latest book on Portugal is no exception.Wonderful !51 of 54 people found the following review helpful. Not up to Lonely Planet's usual standardBy Bjorn ClasenAfter having tried a few other guidebook series, I am back to Lonely Planet, as these are simply standard-setting in terms of travellers' reference.But this is the exception that confirms the rule (along with Lonely Planet Iceland Faroes). Though published last year, so much of the basic information is not up-to-date - and several recommendations seem like an absolute mystery as they in no way live up to Lonely Planet's usual criteria.Just too many times I found myself planning according to the book's information and recommendations, and ended up finding nothing or not finding the expected. The examples are too many to be ust coincidence and 'because things change'. I will therefore get rid of this one, and try Footprint or The Rough Guide next time I go to Portugal.Yet, my critical rating of this guidebook should also be seen in the light of my high expectations, as Lonely Planet - mostly - does set the standard. Try again - new edition.

Discover PortugalHang on tight as tram 28 rattles you up to Lisbon's Castelo de Sao Jorge.Step back in history as you enter Braganca's astonishingly well-preserved 13th-century citadel.Savour the world's best port amid the terraced vineyards of tiny Pinhao.Feel the rush as you scramble to your feet on a surfboard at Baleal beach.In This GuideTwo authors, over 1000 hours of on-the-ground research, 86 detailed maps.Six-page Outdoors chapter covers everything from horse riding across the sands to scaling Portugal's highest peak.Don't just take our word for it; see what travelers are saying at lonelyplanet.com

Nobody covers the world like Lonely Planet.' --New York Post, May 2004From the PublisherWho We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large. What We Do * We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. * We are relentless in finding the special, the unique and the different for travellers wherever they are. * When we update our guidebooks, we check every listing, in person, every time. * We always offer the trusted filter for those who are curious, open minded and independent. * We challenge our growing community of travellers; leading debate and discussion about travel and the world. * We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
