of the focus was on travel phrases, but Portuguese is a really hard language in terms of pronunciation, so all of the phrases are useless if you don't have the confidence to try pronounce them.0 of 0 people found the following review helpful. Amazingly Small, Helpful Language GuideBy Green LoverSuper-small size fit in my purse perfectly. Loved how it was divided by topic/chapter. Everyone speaks great English in Lisboa, so we didn't need it much. But it definitely helped with menus and signs.0 of 0 people found the following review helpful. Four StarsBy mel beePrint is kinda small...
