Simon Richmond, Marc Bennetts, Greg Bloom, Marc Di Duca, Mark Elliott, Michael Kohn, Leonid Ragozin, Robert Reid, Mara Vorhees : Lonely Planet Russia (Country Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Russia (Country Travel Guide):

0 of 0 people found the following review helpful. Was a great help both before and during our trip to Russia ...By

Jeremiah Dennis Nolan Was a great help both before and during our trip to Russia until it was stolen with my fanny pack in St. Petersburg. We were warned about ripoffs in Moscow (where we had absolutely no trouble) but not in St. Petersburg (where we did - after several foiled attempts I might add).0 of 0 people found the following review helpful. RussiaBy Virginia B. KeleherJust the information that I needed and more for a future trip that is being planned for the summer of 2-14.12 of 14 people found the following review helpful. Needs a Little More WorkBy SF GuyA good first try for an interactive book, articles are hyperlinked throughout, with external links to some very interesting websites. On the negative side, detailed maps do not have enough resolution to read easily, and zooming doesn't help. The inclusion of the index is puzzling, as it serves no purpose as implemented. The entries do not have page listings and they are not hyperlinked, so the index is a huge list of topics leading nowhere, and at nearly ninety pages it is too large to search through easily.

Lonely Planet RussiaJoin the thunderous applause for the sublime ballet dancers in the Bolshoi TheatrePerfect your banya etiquette before joining in this steamy Russian ritualSurround yourself with majestic rugged scenery as you drive across the world's deepest lakeFeel St Petersburg's contemporary pulse by clubbing in converted stables and Soviet factoriesIn This Guide:Nine authors, more than seven months of research, countless shots of vodkaAll new Activities chapter and tips on how to cut through red tape to secure your visaContent updated daily - visit lonelyplanet.com for up-to-the-minute reviews, updates and traveler insights
