**Chris Dite : Lonely Planet Russian Phrasebook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Russian Phrasebook:

0 of 0 people found the following review helpful. I am good with languages but when there is a different alphabet ...By H. Netherton This is a handy little book small enough to bring when one travels to Russia. I am good with languages but when there is a different alphabet involved it makes learning the language so much harder. 2 of 2 people found the following review helpful. Best Russian Phrasebook By AreteBooks The Lonely Planet's Russian is all you want in a

phrasebook: organized and efficient yet full of cultural notes, highlighted key segments, and a decent dictionary in the back. And, it's truly pocket-sized. I traveled all over eastern Russia last summer, including Moscow, St. Petersburg and some tiny hamlets and mountain villages. This phrasebook helped in a variety of situations. Many of the other major language companies don't offer Russian phrasebooks, and if and when they do, they will be hard-pressed to come up with a better one than this one. 1 of 1 people found the following review helpful. Heavy Metal. By CustomerGot this as a gift for a friend who loves travelling and loves the Olympics. When I heard of the Olympics being planned for Russia this was an obvious choice. He is also a rock guitarist and I thought if language had a Heavy Metal it would be Russian. He was very pleased with my choice and so am I.

Don't let your Russian experience become Russian Roulette! Pick up this phrasebook instead, get beyond trivial conversation and avoid the Russian saying ??? ???? (‘‘you’ll break your tongue’’) by communicating with ease. Our phrasebooks give you a comprehensive mix of practical and social words and phrases in more than 120 languages. Chat with the locals and discover their culture - a guaranteed way to enrich your travel experience.
