Duncan Garwood : Lonely Planet Sardinia (Regional Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Sardinia (Regional Travel Guide):

6 of 8 people found the following review helpful. ok guide - could be better By IBS patient many places were totally missing - ok, a guide cannot cover it all, but still...i found the material difficult to follow and not well organized. compared to other lp guides - on cuba for example - i found this one weak.
