**Neil Wilson : Lonely Planet Scotland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Scotland:

2 of 2 people found the following review helpful. a little disenchantedBy highlanderI am a huge fan of lonely planet guidebooks. One's purchased for Hawaii and New Zealand were AWESOME!!! Contained all the routine spots and many, many less known great adventures. Also, every place to stay and eat was clearly identified as to which the

author(s) considered the best. This guidebook is a bit less updated than either of those were with the last printing being 2004 - maybe that's some of the difference. Right now, I'm feeling that a may need a second guidebook to make sure I get the most out of the trip.2 of 2 people found the following review helpful. DisappointingBy Ken CameronI normally really like Lonely Planets guides but this one just is not that good.They could have gotten some more out of the way places,they could have explored some of the more remote and well kept secrets that abound in Scotland.2 of 2 people found the following review helpful. No good maps, no travel optionsBy ROBNot bad but I would have preferred a few more options for self tours, I thought that is what lonely planet was all about. Most of the time they recommend spending 3 weeks in each town to fully experience things, unfortunately that is no help to the average 2 week vacationer. Also no good maps, but better maps are available in other travel guides so I might look around before buying this book.

“Like a fine single malt, Scotland is a connoisseur’s delight – an intoxicating blend of stunning scenery and sophisticated cities, of salt-tanged sea air and dark peaty waters, of outdoor adventure and deep history.” – Neil Wilson, Lonely Planet writerOur PromiseYou can trust our travel information because Lonely Planet authors visit the places we write about, each and every edition. We never accept freebies for positive coverage, and you can rely on us to tell it like we see it.Inside This Book...2 authors17 weeks of on-the-ground research54 mapsCountless drams of whiskyInspirational photosClear, easy-to-use mapsPull-out city map3D plans of iconic sightsComprehensive planning toolsIn-depth background

It's accurate, up-to-date, and at over 500 pages, very comprehensive. Recommended. - Suite 101, March 2011From the PublisherWho We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large. What We Do \* We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. \* We are relentless in finding the special, the unique and the different for travellers wherever they are. \* When we update our guidebooks, we check every listing, in person, every time. \* We always offer the trusted filter for those who are curious, open minded and independent. \* We challenge our growing community of travellers; leading debate and discussion about travel and the world. \* We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
