**Julia Wilkinson, John King : Lonely Planet Southwest France (Travel Survival Kit)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Southwest France (Travel Survival Kit):

This lively new guide provides everything you need to experience the diversity of this beautiful region, from prehistoric sites to glitzy seaside towns. It includes an extensive food and drink section, accommodation options to suit

every pocket; coverage on the huge range of activities available; and essential French phrases.
