**Lonely Planet, Simon Richmond, Greg Bloom, Marc Di Duca, Anthony Haywood, Michael Kohn, Tom Masters, Daniel McCrohan, Regis St Louis, Mara Vorhees : Lonely Planet Trans-Siberian Railway (Travel Guide)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Trans-Siberian Railway (Travel Guide):

3 of 3 people found the following review helpful. Summer guide onlyBy LisaMattA lot of stuff they write about is

closed in winter and they just don't provide information at all about winter travel in some places making the guide frustrating sometimes. They also don't always list the names of things in the native language (Russian, Mongolian, Chinese so when you are looking for something on a sign it is impossible to find or figure out. It is nice that it is digital though so I can just have it on my phone and I did find some good restaurants (when open) using the guide just don't use it as your travel bible. I got the trans-Siberian handbook by Bryn Thomas and Anna Kaminski and liked that they include native language names and the time difference from Moscow for every town (very helpful on the train). Although there winter info is a little off also. 0 of 0 people found the following review helpful. Invaluable Guide By World Nomad\_CK Did the Trans-Sib in the depths of December across beautiful snow-bound Russia all the way from Moscow to Vladivostok This ebook was a constant reference and I highly recommend it 0 of 0 people found the following review helpful. Essential for travel planning By kkofva Combines parts of the Lonely Planet guides for Russia (and I assume China and Mongolia) into a one-source book. Great focus on many different paths for a trans-Russia itinerary. If you are seriously considering making the trip, this is the book to buy!!
