Lonely Planet : Lonely Planet Turkish Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Turkish Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary):

2 of 2 people found the following review helpful. I would take this book again on my next trip and would probably continue to find it useful if I had the opportunity to stay in tBy AKCI found this phrasebook indispensable on my

recent trip to Turkey if for no other reason than the menu decoder - several pages of English translations of the names of Turkish foods and dishes, many of which I was unfamiliar with, especially in restaurants where the menu is more varied. I found it also helpful to learn a few phrases from the book over the course of my trip, such as "how much is this," "where is...", "do you have...", as my experience was that there were not very many English speakers, even in the bigger cities. I would take this book again on my next trip and would probably continue to find it useful if I had the opportunity to stay in the country for an extended period of time. 0 of 0 people found the following review helpful. Good book! By Ronald G. Koshiyama Useful book 2 of 3 people found the following review helpful. Good quick language guide By mike juha We used this as a guide when in Istanbul. It helped a lot.
