**Lonely Planet : Lonely Planet Ukrainian Phrasebook (Lonely Planet Phrasebook: Ukrainian)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Ukrainian Phrasebook (Lonely Planet Phrasebook: Ukrainian):

3 of 3 people found the following review helpful. A great phrase book for a short trip. By Tapher I always have fun with the lonely planet phrase books. They are laid out consistently and teach you the correct pronunciation. Plus, they

include fun facts, food tips and sometimes tongue twisters in the local language. I was in the Ukraine for just a couple days but did find it helpful to interact with the locals. The food descriptions came in handy when reading some of the menus and I was able to handle getting my receipt from the taxi driver in Ukrainian. 6 of 6 people found the following review helpful. Perfect learning manual for beginners By BoBoBumpkins I have only had this book for a week but I really like how it is laid out. The book is a little smaller than I thought it would be, probably about one and a half times the size of a deck or cards, but don't let that fool you. This book is chalk full of information for a beginner as well as someone a little further along. This book breaks chapters down by subject such as Around Town and Family and even Emergencies. If you are just starting or even haven't started learning Ukrainian, I would suggest this book. I will update in a few months for a review of how I like their teaching style. 4 of 4 people found the following review helpful. Phrasebook for Ukrain By T. Topcik Very good size for carrying around. Pretty thorough and includes everything from politics, environment, dining out, dealing with police, taxis/buses, entertainment, etc. I would like to see better indications of how to pronounce their language. It does breakdown their words to give some indication of how to pronounce, however, no indication for example if a vowel is long or short or if ch is hard or soft. Their language is pretty difficult and every thing that would help would be appreciated.

Lonely Planet: The world's leading travel guide publisher Ukraine is the second-largest country in Europe - so there's a lot of conversation to have. With this phrasebook say goodbye to awkward silences and get your chat on. Packed with phrases on everything from bargaining at a rynok to hiking and eating out, this book will spice up your Ukrainian adventure. two-way dictionary guide to pronunciation and phrase-building practicalities - how to buy bus or theatre tickets get au fait with the Cyrillic alphabet Lonely Planet gets you to the heart of a place.
