**Peter Dragicevich, David Atkinson : Lonely Planet Wales (Country Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Wales (Country Travel Guide):

1 of 1 people found the following review helpful. Weakest Lonely Planet Guide Ever By Susan K. Hall This guide is very different from all the other LP guides I've used over the years. One of my favorite things about LP guides is that they've always rated places to stay in small towns and villages making it easy for me to travel outside the main tourist areas. The wonderful feature is absent from the Wales guide. I also feel like I'm getting much less information in the

Wales guide. Other LP guides list things to see and do that I don't think I would have heard about if used a different guide. With the Wales guide I feel like I'm reading a condensed version of government tourist office travel brochures.4 of 4 people found the following review helpful. Functionally uselessBy MalloryWhat is the deal with this book? There is NO useful information here!! It reads like a travel catalogue or brochure, advertising locations and things to do without actually giving practical information. This is definitely NOT like other LP guides.Waste of money.1 of 1 people found the following review helpful. Travel guide for WalesBy Sandy DGreat guide full of good information will put to good use during our vacation to Wales EnglandSandySaint Augustine

Nobody knows Wales like Lonely Planet. Whether you're looking for secluded beaches or mountain walks, ancient monuments or medieval castles, a romantic hotel or a top gastropub, this book gives you everything you need for an unforgettable trip.In This Guide:Tailor-make your perfect trip with our handpicked recommendations and inspiring itinerariesImmerse Yourself: local tips and insights get you to the heart of the countryDetailed maps and driving tours make independent exploration easy

For sheer global reach and dogged research, attention must be paid to Lonely Planet...' --Los Angeles Times, February 2, 2003From the PublisherWho We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large. What We Do \* We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. \* We are relentless in finding the special, the unique and the different for travellers wherever they are. \* When we update our guidebooks, we check every listing, in person, every time. \* We always offer the trusted filter for those who are curious, open minded and independent. \* We challenge our growing community of travellers; leading debate and discussion about travel and the world. \* We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
