There is advice for families to the adventurous ...By ElizabethIf you are planning a trip anywhere Lonely Planet travel guides are the way to go. I have traveled extensively and always plan my own trips with the help of Lonely Planet. From South West U.S. Caribbean, Central America, Mediterranean, to African, now we travel to Western Europe and have never been disappointed. There is advice for families to the adventurous and will guide you to good-value hotels and restaurants. It helps you plan where to go, how to get there, and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, it is an invaluable guide to ensuring you not only see the top destinations but see them the way you want to.0 of 0 people found the following review helpful. Four StarsBy Laura ZolezziUseful when visiting multiple cities in a short period of time. Doesn't have much detail on any though.0 of 0 people found the following review helpful. Not what I needed.By MamaMMsWe were in Paris, Rome, Florence and Vatican in July.Not what I was looking for: not too many visuals, hard to locate the information I was looking for.
