They loved the bookBy Vickie ShervanickI bought two of these books for both of my 12-year-old granddaughter's. They loved the book. I asked what they liked the most, they said everything. I would highly recommend this book, by Linda Davies.

Set in the wilds of the Welsh mountains, the brave and beautiful longbow girl, Merry Owen, discovers a river that takes her back in time to the autocratic kingdom of King Henry VIII. While there she finds she must compete in an archery tournament to save her ancestors' land from being seized by their aristocratic neighbors the de Courcys. Merry's best friend James de Courcy (and heir to the de Courcy wealth) follows her back in time and the two get tangled up in their families' ancient histories. There are forces working against them both in the past and the present. Will they be able to survive their pasts to save their futures?
