**CMRS : Lošinj Island 1:20,000 (Croatia) Hiking Map** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lošinj Island 1:20,000 (Croatia) Hiking Map:

Lošinj Island 1:20,000 (Croatia) Hiking Map The island of Lošinj on the Adriatic coast of Croatia on a double-sided, contoured and GPS compatible map at 1:25,000 from the Croatian Mountain Rescue Service, highlighting hiking paths, including trails on the southern part of Cres and on the nearby islands of Unije, Susak and Ilovik. Contours at 10m intervals enhanced by relief shading provide excellent presentation of the terrain, with markings for various topographic features. Waymarked hiking paths are prominently highlighted. Symbols indicate tourist accommodation, including campsites, restaurants, beaches, climbing sites, petrol stations, etc. The map has a 1km UTM grid, plus latitude and longitude lines at 1' intervals. Map legend includes English.
