The writer is the every man who finds himself in an extraordinary adventure all in the name of love. From beginning to end you are rooting for the writer to just make it though the next hurdle (be it asking a girl who catches his eye out, or finding the courage to ask a particular question...or survive a "sobering" experience). The description of the writers adventures in Ukraine, his interactions

with all he meets and the countless "Babushka" ladies kept me laughing out loud. If you have ever done something crazy, if you have ever laid it all out on the line for love, this is the book for you. 5 out of 5 stars. 0 of 0 people found the following review helpful. ... life I can say that "Love and Vodka" is a great fun read about just that. By Customer Having been lucky to have traveled abroad several times in my life I can say that "Love and Vodka" is a great fun read about just that... the typical American encountering the less than perfect world outside of our borders. R.J. Fox has a delightful sense of humor that keeps this story moving through his many trials and errors, culture shock, and love affair. It is an easy read filled with humor and adventure. You won't be disappointed! OH! and I forget to say that this is the author's first book! We will be waiting for his next! 0 of 0 people found the following review helpful. I very much enjoyed learning more about what daily life is like in ... By Kim Felipe What a delightfully charming (true) story! R.J. Fox is such an entertaining author. Very hilarious observations and turns-of-phrases. I have laughed out loud several times. I've even felt tears in my eyes. All the feelings! I very much enjoyed learning more about what daily life is like in Ukraine. If you like travelogues or memoirs, or just appreciate a tale of love, then you will dig this book!

Love Vodka is a book with broad appeal. It is a unique hybrid of travel memoir and love story that seamlessly blends humor, culture shock, and romance. It is about taking a chance in life and seeing where it leads, as well as learning more about the world—and about yourself. The world is large and full of potential; one just needs to be willing to take a gamble and explore the possibilities that exist. Bobby is over the moon after sharing a bike on the E.T. ride at Universal Studios with Katya. Join our "intrepid crusader" as he takes a leap of faith—traveling from comfortable "have-a-nice day...and have-a-warm-shower" suburban Detroit to the former center of Cold War Soviet missile production. And unbeknownst to anyone but himself, he's bringing an engagement ring! Experience life in a city that, until the mid-1980s, was closed to foreign visitors. R.J. Fox's humorous, poignant, and memorable expedition is punctuated by a colorful cast of characters, adventures, and cultural mishaps and misunderstandings—from irate babushka women to hard-drinking uncles. Lesser mortals might have "phoned home" to be rescued. Armchair travelers and romantics—you will find yourself both schooled in hard knocks and heartened to have shared in the unforgettable experience of Love Vodka! "Za vashe zdorovie!"

"Imagine a world where people think, act, and respond differently to the way you've always known—and then let R.J. Fox take you there. Not enough has been written about everyday life in the former Soviet Union, and it's captured beautifully here." —Tony Hawks, author, Round Ireland with a Fridge
