**LUXE City Guides LUXE Limited : LUXE Amsterdam 1st Ed (Luxe City Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised LUXE Amsterdam 1st Ed (Luxe City Guides):

small, but those were the only positives in my opinion. They read like a long run-on sentence, not very good for planning your day if you are visiting a city. They do suggest places to go that I might not have found elsewhere, but trying to read it was just more a hassle than what it's worth. Might be a good novelty item or a fun gift, but I did not use it much when I traveled. Bummer. They are so pretty and stylish looking! 0 of 0 people found the following review helpful. By LL We got these both for Amsterdam and Paris. We found all sorts of great eating spots and odd shops that we would never have seen otherwise.
