LUXE guides and love all of them. Tiny but packed with loads of curated recommendations. To get the most out of it, thoroughly read and reread. Easy to miss good stuff if you just glance through. The more I examined it, the more I found. 0 of 1 people found the following review helpful. Five Stars

If you are not spending too much time in Florence, and you happen to be in Florence for the scene, the dining, the shopping, and the truly remarkable and unforgettable vibe of the city, this guide is for you. Take other books to read up on the city's history and museums. This guide doesn't have maps or photos. However, it makes your life easier by listing only the best and deciding for you what the best activities (inc. shopping, gardens, museums, restaurants, etc) are worth checking out. You definitely have to have a personality and good humor to like their take, but once you like LUXE you will not be able to travel without them!

She may be dour and medieval from the outside, but she's also home to the greatest blaze of art the world has ever seen. Florence is so steeped in the fabulous Renaissance that it's easy to forget that she's actually also a stylish little kitten, but you really need the skinny on how to avoid the crowds and skip the blah. Step forward LUXE. Florence is right up there with the finest Tuscan cooking, from mom n pop trattorias to Michelin-starred salons. Want to lose the hoi polloi to discover backstreets and hideaway Renaissance marvels? How about private wine cellar tastings, or your own shopping guru or personal art expert for private palazzo visits and gallery viewings? And don't forget retail. Let LUXE lead you to the city's best mosaic artists, gilders, furniture and antique dealers, plus amazing hidden artisans, who'll craft bespoke fabrics, paper, jewels, leather shoes to order, just for you. Baby, you got it. You got it all. LUXE Florence. Get art and about.
