**LUXE City Guides : LUXE London** before purchasing it in order to gauge whether or not it would be worth my time, and all praised LUXE London:

Your Best CompanionBy abcc05If you are planning to travel to LONDON and you have limited time (and you love all things fabulous), you **MUST** buy this guide. You will not be disappointed. It provides you with valuable insight on the best restaurants, hotels, spas, bars, etc. It makes you feel sooo cool and in the "know." Their shopping itineraries are so unique and out of the ordinary, you will want to do everything they suggest. Don't expect to see info on the usual touristy sightings (there are other guides that do that). There are no maps or photos. The guide is compact and full of current, trendy and posh information. They also don't waste your time with long reviews or comments. LUXE takes you on a journey to discover all the fabulous things a city has to offer. They share many hidden secrets/gems that only as a local you would be able to discover.

Compact and InformativeBy Cleveland83I looked over the LUXE London and wished that I had this guide in my pocket when I visited the city a few years back. The most important advice in the guide is this: "On a budget? Don't come to London." I couldn't agree more. However, if your budget is in fact limited, the guide does provide "good value bbs" while warning that some accommodations are "opulent". There are also handy tips on getting around via "the tube", London's subway system, calling codes, as well as deciphering "Brit-speak". Who knew that "quite good" actually means "rather disappointing"?

Want to stay in legendary luxury, up-to-the-minute boutiques, discreet private townhouses or stylish budget BB's? Want to feast on classic fish chips, or the city's most elegant tables at the forefront of Britain's culinary resurgence? Want to cocktail and lounge with London's smart and party set? Want exquisite salons for afternoon tea or antique, atmospheric pubs and tucked away winebars? Want to discover the cutting-edge designers keeping London's star glittering in the fashion firmament? Want a plethora of artisans for handmade hats, gloves, shoes, luggage, wallpaper, stationery, glass, jewellery, eyewear and chocolate? Want your own private guide to the city's art, architecture and history or a personal shopping guru? Want to find the tailors where the city's dandies go to get immaculately booted and suited? Want to cut through the maze of London town and find the very best of British? Well, now you can. Along with all the finest and funkiest places to dine, drink and dance, LUXE incorporates invaluable, bespoke shopping and activity itineraries for you to mix and match, secret shops and services you'd simply never find as a visitor as well as the latest beautiful spas, salons and aestheticians. And what's more, LUXE comes with online city updates - simply visit our website and log-in. How darn smart is that?

Luxe City Guides are a hot tip for globetrotters - we love the fact that their entries are selected by contributors who actually live in each destination. Expect incisive, insightful views on everything from bars to spas, hotels and shopping. --Elle Decoration UK - April 2008  
Sex and the City in a handbook. A mini marvel that fits in your handbag. Voted LUXE City Guides No. 5 in the world's Top 10 guidebooks. --The Times (UK) - April 16, 2008  
About the Author  
Famous for their ultra short, sharp and snappy reviews and highly personal and selective entries - LUXE City Guides have sold well over one million copies - no padding, no maps, no daft pictures and graphics, just super-curated, highly opinionated quickfire speed reads from resident editors and contributors who **REALLY** know their city, so you can spend time enjoying the city not head down in a book. Packed from concertina cover to cover with snazz, snark and snark, if it's in LUXE, it's IN - enough said.
