LUXE Asia Limited : LUXE Rome (LUXE City Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised LUXE Rome (LUXE City Guides):

Want the very best of Rome in one glam little pocket/purse-sized companion? Want the finest Italian cooking from mom n' pop kitchens to Michelin-starred salons? Want your own shopping guru or personal concierge for private visits and viewings? Want to find mint vintage fashion, retro design and antiques? Want to hire the city's top academics and scholars as your own personal guides? Want access to the city's bespoke artisans for hats, clothes, marble, decor and leather? Want to find the finest shops, restaurants, spas, bars and services, and avoid the rest? Well, now you can. Along with all the finest and funkiest places to dine, drink and dance, "Luxe" incorporates invaluable, bespoke shopping and activity itineraries for you to mix and match, secret shops and services you'd simply never find as a visitor as well as the latest beautiful spas, salons and aestheticians. And what's more, "Luxe" comes with online city updates - simply visit our website and log-in. How darn smart is that?

...the Luxe City Guides: Rome with an awesome cover design of a marble frieze will take you places where they'll build stuff for you: bespoke clothiers. If you don't need it cut-to-fit, flip through to find mint vintage fashions, rustic back alley meals, and a spot to rent classic Vespas to tool around on. --Zink - Summer 2007
