Marco Polo Travel Publishing : Madeira Marco Polo Spiral Guide (Marco Polo Spiral Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Madeira Marco Polo Spiral Guide (Marco Polo Spiral Guides):

0 of 0 people found the following review helpful. The Guidebook to get for MadeiraBy W. H. AshburyThis is fantastic guidebook to Madeira with many sites, descriptions, and maps. We used it to find the beautiful gardens on the island and also followed three of the levanda hikes in the book. Note that the island can be sunny in Funcal and the resort areas, yet the hiking areas can be covered in a shroud of clouds! Use the book to find places to visit in the sunny part of the island! Highly recommended!
