Pablo Aguila : Madrid: 75 Essential Tips: Tips and tricks from a Seasoned Tour Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Madrid: 75 Essential Tips: Tips and tricks from a Seasoned Tour Guide:

Madrid is such a fun and interesting city. I have worked as a tour guide here for many years. In this little book, I share with you all the things I think you should see and experience in the city. I ordered my tips per neighborhood, so you can easily see what is nice to do in what neighborhood. The barrios, or neighborhoods, are what make Madrid fun. Every single one of them has a different culture and history. I believe this little guidebook will help you make the most out of your stay in Madrid. Enjoy!
