From Everyman Guides : Madrid City MapGuide 2005 (Everyman MapGuides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Madrid City MapGuide 2005 (Everyman MapGuides):

Discover Madrid map-in-hand. This is a guide for all tastes and budgets with a choice of 60 sites not to be missed. Fold-out maps give the reader instant orientation and help visitors to make the best of their stay. The guide also contains details of more than 120 restaurants, cafes, tapas bars, shops, markets, hotels...and all the practical advice needed. This is a map and a guide, all in one.

A new essential for your back pocket? The Evening Standard; ?These have to be the cleverest little guide books around? Spain Magazine; ?Just the thing to give some needed guidance on a short-break trip? Sunday Times; ?An ingenious idea, a long time in coming? ABTA Travelspirit; ?A unique way to discover a city? Escape to Spain.
