**National Geographic : Madrid Destination Map (National Geographic)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Madrid Destination Map (National Geographic):

0 of 0 people found the following review helpful. Beautiful MapBy Mary LarsenHigh quality and durable. My husband spent a few years in Madrid once and he likes reminiscing about the areas he's been to. This was a Christmas present for a guy who had no Christmas list and I'm really glad I got it. Note: it only shows the main city center and no 'burbs, but for what it displays it is fabulous!

Language NotesText: English, Spanish, French, German, ItalianAbout the AuthorBillie W. Kapp, a Social Studies consultant for the Connecticut Geographic Alliance, acted as chief educational consultant for this atlas. She is a PIER Fellow at the Yale Center for International and Area Studies and the recipient of the Milken Family Foundation National Educator Award.Founded in 1915 as the Cartographic Group, the first division of the National Geographic Society, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world. All proceeds from the sale of National Geographic maps go to support the Society's non-profit mission to increase global understanding and promote conservation of our planet through exploration, research, and education.
