Lorenzo López Sancho : Madrid [English Edition] before purchasing it in order to gage whether or not it would be worth my time, and all praised Madrid [English Edition]:

A look at the history and culture of Madrid, the capital city of Spain, located on the Manzanares River in the central part of the country. The text - in English - is supplemented with beautiful color and black and white photographs of the people, the landscape, the architecture, and the art of this ancient city.
