This short book is just what we needed. It talks about the most famous places to visit in Madrid and gives a background about each place. I just wish it had few pictures. 0 of 0 people found the following review helpful. One Star By ea Not enough information, I had all this for free from a pamphlet! 0 of 0 people found the following review helpful. Great book! By Brad Mayo I have always wanted to go to Madrid but I wanted to know more about the place. This great book has taught me some great and useful information. I now plan to visit Madrid with confidence.
