Major Tonie Holt, Valmai Holt : Major and Mrs Holt's Battle Map of Arnhem (Market-Garden): Leopoldsburg-Eindhoven-Nijmegen-Arnhem-Oosterbeek before purchasing it in order to gage whether or not it would be worth my time, and all praised Major and Mrs Holt's Battle Map of Arnhem (Market-Garden): Leopoldsburg-Eindhoven-Nijmegen-Arnhem-Oosterbeek:

In this work, all the airborne drop zones and routes are shown as well as the route taken by the land forces as they tried to reach the beleaguered British airborne troops at the Arnhem bridge - a Bridge Too Far. This map also shows clearly the precise locations of over 300 memorials, cemeteries and points of interest. It is double sided and color coded in line with the other maps in this series - "Somme", "Ypres", "Normandy" and "Gallipoli". In this map, one side shows the full Market Garden area and the other shows detailed maps of specific areas such as Oosterbeek, Nijmegen, Eindhoven etc including British, American and Polish memorials.
