Jack Altman : Majorca and Minorca (This Way) before purchasing it in order to gage whether or not it would be worth my time, and all praised Majorca and Minorca (This Way):

More than just an island of beaches and non-stop nightlife, Majorca is rich in Mediterranean history and a diversity of off-beat attractions. From Palma's splendid gothic cathedral to stunning seascapes, the sightseeing is a worthwhile break from holiday hedonism. Minorca attracts a quieter crowd, charmed by the rolling meadows, the archaeological sites and the rare convergence of civilisations. This Way Majorca and Minorca gives you a compact introduction to the culture and beauty of this unlikely pair of Balearic Islands.
