Andy Symington : Malaga Costa del Sol (Footprint - Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Malaga Costa del Sol (Footprint - Handbooks):

1 of 1 people found the following review helpful. It could have provided more useful information and descriptionBy CustomerIt could have provided more useful information and description. More restaurant suggestions would have been useful. Didn't really feel as though the author had been immersed in all those places.

Sample some of Andalucía's finest seafood, admire an ancient Roman theatre and enjoy a beer in an old-fashioned bar. Málaga is best known for the legions of sun worshippers that visit each year, but there is much more to this cosmopolitan province. Gaze in to the dizzying depths of El Tajo gorge when you visit Ronda, enjoy the charm of white-washed villages where time has stood still, and admire the surreal rocks of the inland mountain ranges which have been twisted into odd shapes and sizes. Footprint Málaga Costa del Sol covers all the little-known gems that are often overlooked in this much-visited province, as well as popular destinations. Includes detailed information on sights and attractions and fascinating insights into the history and culture of the province. Essentials section with practical advice on getting around. Highlights map so you know what not to miss. Comprehensive listings including where to have fun, sleep and eat the best tapas. Detailed street maps for Málaga and other important towns. Slim enough to fit in your pocket. Loaded with advice and information, this concise Footprint guide will help you get the most out of Málaga without weighing you down.

About the Author Andy Symington hails from Australia and, after much time spent prowling and working in various corners of the world, he settled in Spain, where he has now lived for several years. He is enamoured of the art, architecture, wildernesses, and tapas of Andalusia, which never ceases to offer up hitherto unknown corners to explore. Andy has extensive experience as a travel writer and is the author of several Footprint guidebooks.
