with a population of over half a million. Thus, you'd think there would be lots to say about it. Yet the author manages

to fill a mere 84 pages about it and Marbella combined. Twenty minutes on the internet will get you more than that. This is nothing but an amateurish pamphlet. It should not be listed in the book category, and should be embarrassed to be offering it for sale at \$10.

Málaga is the gateway to the Costa del Sol in southern Spain. Many visitors leave quickly on their way to the popular beach resorts and never give Málaga more than a quick look. But Málaga is a lively, vibrant city with much to offer and you could spend an entire holiday in the city. Marbella together with neighbouring Puerto Banús is the exclusive holiday destination of choice for the rich and famous. You will rub shoulders with international celebrities at the super-smart beach clubs and dance until dawn at the famous night spots.
