Mallorca (Balearics, Spain) 1:75,000 Hiking Map, GPS-precise KOMPASS Large, double-sided, contoured, GPS-compatible map of Mallorca at 1:75,000 (1 inch = 1.2 miles) with a selection of hiking and cycling routes. The terrain is represented by contours at 100-m intervals, spot-height, hill shading and colouring to indicate wooded areas and vineyards. Road network, with new road numbers, includes farm roads and forest tracts and indicates toll routes and traffic restrictions. Railways are shown with stations and ferry connections between locations on the island are marked. An overprint highlights waymarked hiking routes, indicating steep and climbing sections. Also shown are cycle paths and mountain bike routes. A wide range of symbols highlight numerous places of interest, sport and recreational facilities, landmarks, protected areas, beaches, campsites and youth hostels, etc. The map has a UTM grid. Added is a street plan of Palma, indicating main places of interest, plus a map showing ferry links from the mainland

to the Balearic Islands.
