Great traditional mapBy austineuroDurable and so much more practical on vacation than to rely on electronics that might not work/be charged, etc. Also makes nice souvenir afterwards.1 of 1 people found the following review helpful. A very accurate mapBy MurphHaving never been to Mallorca, we purchased this before our trip. It was incredibly accurate which made driving in an unfamiliar area so much easier. Yes I had GPS, but after the car was parked we had a reference point.0 of 0 people found the following review helpful. Must have map...By geo49eI will be taking this wonderful map with me when I visit the island in June. It has given me an idea of the distances between places and the routes to get from where I am staying to what I want to see. Happy traveling...
