**From Duncan Petersen Publishing : Mallorca, Menorca and Ibiza (Charming small hotels restaurants)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mallorca, Menorca and Ibiza (Charming small hotels restaurants):

This is a new edition in this highly successful, completely independent series. Covering Mallorca, Menorca and Ibiza, each hotel has been meticulously researched, so the reader can be sure that only quality accommodation is included. Like all "Charming Small Hotel Guides", it is highly selective. Every entry is more than just a bed for the night: it's an experience, worth planning a holiday around, or going out of your way for. This remains the only independently inspected English-language accommodation guide to small and charming hotels in Italy. No hotel pays to be in the guide.

About the Author Fiona Duncan is a widely published hotel reviewer who writes the 'Hotel Guru' column for the Sunday Telegraph and is chief editor of Duncan Petersen's 'Charming Small Hotel Guides'.
