DK Publishing : Mallorca, Menorca and Ibiza (Eyewitness Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mallorca, Menorca and Ibiza (Eyewitness Travel Guide):

By Antonio Vives Attractive book as all in the DK series, very nice pictures and good illustrations. I have more than 15 of them as they are my favorite guides. Unfortunately this one is extremely summarized and does not do justice to the Balearic Islands, everything is telegraphic, with very little detail, as if it was assembled in a hurry. And I can tell you because I was born in Mallorca, have my family there and visit twice a year.

By porch swinger There were only a very few pages on Ibiza. It did not do a good job other than the biggest town. We were on the other side of the island so this book did us no good. No activities listed or rated. Not a help in any way shape or form unless you are in the main town.

By Portland Chris I love all the DK Eyewitness Travel books. This one is no exception. Arrived promptly.

Showing the Balearic Islands at their best, from the popular beaches of Mallorca and Ibiza to the peace and quiet of Formentera. Visit the towns of Palma, Mao and Ibiza with the help of 3-D aerial maps and cutaways of historic buildings, and use the guide's illustrated maps to enjoy the beautiful countryside and national parks.
