**Globetrotter : Mallorca Menorca Travel Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mallorca Menorca Travel Map:

This travel map of Mallorca and Menorca is part of a series of enlarged, fold-out maps which allow the traveller to locate cities, towns, major roads and scenic routes, airports, holiday resorts, parks and nature reserves, places of interest and other features. The reverse side incorporates area maps and town and city plans of the major centres, highlighting historical monuments, key buildings, and areas of special interest.
