**From Michelin Maps : Map 9076 Malaga (Michelin City Plans)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Map 9076 Malaga (Michelin City Plans):

Maybe useful if you are coming in to the city but then the scale is so small it is useless. The inset of the central area is small and leaves out very much. Does not look like an online layout. I have many many maps and this one is garbage bound.
