Map : Map-Prague before purchasing it in order to gage whether or not it would be worth my time, and all praised Map-Prague:

Prague (Praha) 1:24,000 Street Map (Czech Republic) 2009 editionWith the scale of 1:24,000, this folded map covers most of the city (for a complete coverage of Prague, an atlas is necessary - see 9788072242610). It includes an inset with a detailed plan of the Prague's historical centre 1:10,000 and an inset with the Metro system. Legend in 8 languages including English. The map si not burdened with hard cover so that it can be easily folded in half and inserted in any of your pockets. Folded size 9x5 inches, made in Prague.
