We'll be using itBy Thomas C. KirkleyWe'll be using it0 of 0 people found the following review helpful. Great buy!By alexachillused this map in navigating scotland and edinburgh for the first time -- i found it really helpful and the map was incredibly sturdy and waterproof (generally speaking -- i did not drop it into water, mind you). Price reasonable.

This MapEasy guidemap of Scotland shows Scotland on one side of the map and Edinburgh street plan on the reverse.
