**MapEasy : MapEasy's Guidemap to England** before purchasing it in order to gage whether or not it would be worth my time, and all praised MapEasy's Guidemap to England:

0 of 0 people found the following review helpful. A nice topographical map.By JBRThanks for the fast delivery. I was a bit disappointed as I needed to see some of the smaller towns that are on the Coast to Coast Path...Although it will be helpful for other information.0 of 0 people found the following review helpful. Artwork not as nice as Other ones I haveBy NH GirlI love these types of maps and have several but thought this would be more artful than it is.0 of 0 people found the following review helpful. They're great because they're very detailed and have been very helpful ...By janinefunkWe're planning a trip to Ireland and the UK and have bougght MapEasy's Guidemap for each location. They're great because they're very detailed and have been very helpful in planning our trip.

MapEasy's Guidemap to England shows detail maps for London. It is a location map and guidebook in one. Each hand-drawn Guidemap contains useful facts on hotels and restaurants, as well as information regarding shops, museums, and attractions. MapEasy's Guidemap to England is made of a waterproof, tear resistant material.
